

Kettler Kapers

By Virginia Jones, Lom. 1236-J and Ted Cunningham, Lom. 232
Lomita 1236-J

The stork had a busy time last week, bringing four new babies to Kettler Knolls. Proud parents No. 1 were Mr. and Mrs. Warren Nashund of 1751 Marinette St., who added a son, Donald Warren, to their happy family. He was born March 11 at Long Beach Community Hospital. His brothers are David and Danny and his grandmother Nashund is here from Everett, Wash., enjoying her visit immensely. Mrs. Edna Hood of Texas is the maternal grandmother.

Also passing out cigars announcing the birth of their first son are Mildred and Joseph Elliott of 1774 Santa Fe St. He's been named David Joseph and was born March 14 at Harbor General Hospital, weighing 9 pounds 13 ounces. His sisters are Donna, 12; Derene Jo, 10, and Delpha, 7, who are thrilled with their new baby brother. Maternal grandmother is Mrs. Arthur Durham of Kingsport, Tenn.

Mrs. Betty Johnson of Kathy Way last Thursday, March 20, heard the sound of the stork's wings, so called neighbors Mrs. Pollock and Mrs. Baker to "taxi" her to a Long Beach hospital. As sometimes happens, the stork was about to overtake them, so they had to detour to Harbor General Hospital, where she gave birth to her second daughter, Don and Betty are some what undecided in naming their baby—names are hard to choose—but big sister Barbara, 5, is happy about the new arrival! Grandparents are Mr. and Mrs. C. E. Gassaway of Lomita and Mr. Johnson of Long Beach.

James and Doris Ridenour of 23115 Huber have as their guests for the next couple of weeks James' aunt and uncle, Mr. and Mrs. Riley Thomason of El Reno, Okla., who arrived late last Saturday night. They will also visit relatives in El Monte before returning. You couldn't have picked a nicer time of the year to visit and we do hope that you will enjoy every minute of it.

Hey, gals! If you're looking for a rummage sale there will be one in two weeks (actual date later) which the Tau Delta Omega Sorority will sponsor and which will be located in Bernard's Shoe Store.

The Easter bunny came a little prematurely at the Ridenour house on Huber, but for a good reason. What better way to wish a 4-year-old a HAPPY BIRTHDAY? Of course, little Jannie the birthday girl, had a friend to help her celebrate, too! Marie Doris gave balloon favors to Duane Lyons, George and Marilyn Witz, David Beaulieu, David Huffman, Donna Long from El Monte, Linda and Charlotte Flage, Howard Greybehl, Beverly Gresham, George Marine, Junior Long and Owen Carson. The birthday cake was quite original, besides being large and specially birthday-ish, and it had a cowgirl doll on it which pleased the little cowgirls and cowboys at the party.

What woman isn't fashion-conscious with Easter so close? There is an Easter Fashion Parade today, at 12:30 p. m. at the

the newest addition at the Frank A. Maynard home on Falona Ave. The little tyke weighed 6 pounds 10 ounces and was delivered by Caesarian section at San Pedro Community Hospital March 18. Louis Michael is her 4½-year-old brother. Grandparents are Mr. and Mrs. Frank L. Maynard of San Pedro, Mrs. Chacon of Los Angeles, and Mr. Elias of Compton. Mrs. Maynard wishes to express her appreciation to Mrs. Jean Curtis, her hostess at a baby shower on March 11, and to all the guests who delighted her with many lovely gifts. OUR HEARTFELT CONGRATULATIONS TO THESE FOUR FAMILIES!

Happy birthday to 1-year-old Rodney Crawford, son of Bob and Edith Crawford of Santa Fe St. Because of mumps, it had to be strictly a family celebration, but they did have a big birthday cake and one candle!

If the Torrance School System has anything to do with it, there will be "city duds" among the present generation, for they have the opportunity of finding out for themselves first hand. Two more kindergarten classes from Torrance Elementary School made a field trip to a dairy farm last week. This time it was Mrs. Reed's and Mrs. Jones' classes... and with so many of their students being from Kettler Knolls, your boy or girl was probably one of them. They saw, among other things, the milk barn, the feeding pens, and the bottling plant. After they had seen everything, they were treated to a drink of chocolate milk and a souvenir button pin.

Nativity Parish Hall on Cota St. of coming activities. There will be a fund-raising luncheon on April 20 to increase the child welfare fund. In May there will be a paper drive, so start saving those papers again! Also in May is the spring roundup of children who will be eligible to start school in September. Parents are urged to register their children early. The dates to register are May 19, 20 and 21—go directly to the school and don't forget to take their birth certificates along. Congratulations to Ketterites Mrs. Gene (Marjaret) Beavers and Mrs. L. (Sally) Eckersley upon their election to PTA offices of Torrance Elementary School for the coming year. And as a final word, please don't forget to vote at the City
